

POPULATION

635,130 people lived in Glasgow in 2021.

Until 2020, the city's population was rising steadily due to inward migration and because births exceeded deaths, however the impact of COVID-19 deaths and a fall in births has meant the population growth has slowed.

Ethnicity

Glasgow has the most ethnically diverse population in Scotland.

In 2022, **19%** of the population was from an ethnic minority.

Age

The city is also getting older... The population aged 50 or over is predicted to rise to

241,000 by 2043.

23% of the population in Glasgow reported a long-term health problem or disability in 2011.

In 2011, **31%** of the population in Glasgow were married or in a same-sex civil partnership, a slight decrease from 35% in 2001.

In 2011, **54%** of the population in Glasgow identified as Christians, **31%** had no religion, and **5%** were muslims.

The number of households in Glasgow is predicted to rise by **12%** between 2018 and 2043.

Single-adult households are projected to rise further to account for **45%** of all households in the city by 2043.
